Lin Lin Wu Xing:

OK, pretty good, I received my mail and I lost. I'll correct the video and make something new with Little Fawn. The point is what I'll, but I'd like to explain. That "Lo Wei Wei Wei" was not mine or Little Fawn's idea. At the beginning, I didn't pay attention to it, I just thought someone was being troublesome, I never thought about taking it to you. Plus, you should have noticed that the character's name and story just felt the least like you. Later, we realized it was Little Fawn's friends from her class who were making trouble, but we'd already finished making the video, and to do it all over again was too troublesome. For that, I apologize to you. My work has dropped now, so at least be your department. Our grudges are settled.

1.1. The character's name is the first to be changed to the original.
